Ultimate Personalised Insurance

# Introduction

It all began some time in 1966, at a small office of Sampheng, where most of our clients were local textile and fabric dealerships. Driven by a fervent belief in delivering the highest quality of service, and with help from a handful of assistants, our founder earned the respect and trust of those early clients.

From that moment onwards, the business proliferated fairly quickly. It is quite fair to assume that CHAZ is now among the top ten leading insurance brokers in Thailand.

CHAZ currently holds brokers licenses for Insurance as well as Reinsurance. Our services cover a full spectrum of non-life as well as life insurance engagements, which now operate under the title of CHAZ Life Insurance Brokers Ltd.
